Please line the fields a few days before your scheduled date, e.g., Wednesday, Thursday or Friday before a Saturday game. Saturday morning is OK, but you must get lining done before the warm-up for the earliest games (9:15 a.m. for the U6/U8 fields and 11:45 a.m. for the U12 fields. Keep in mind the weather for the week and try to line on a dry day. **IF YOU CAN'T LINE DURING YOUR SCHEDULED WEEK, YOU MUST FIND SOMEONE TO SWITCH WITH.**

The line painter and paint can be found in the pod. The fields must be painted, or we will lose the lines, and if we lose the lines, it is a four-hour project to remeasure and restring. Accordingly, please be conscientious. It's only one time a season.
